

Minho Ha

Objective

I love to design new experiences, solve problems, and play with cool things. I want to join a team of likeminded individuals to push my skills to the next level!

Experience

Appture LLC.

UI/UX Designer | May 2013 - February 2014

During my time at Appture I helped to design user interactions, wireframes and UI for mobile applications.

Freelance

Designer | June 2012 - Current

I worked with clients in many mediums from frontend visuals for websites, graphics, video editing to coding.
